### California Commercial Property Insurance

In the case of catastrophes like fire, explosion, theft or vandalism, property insurance helps cover your costs - whether it's to repair damaged property or replace what you've lost. Allegheny Pacific Insurance Services will help you determine the proper type and amount of commercial property insurance necessary for your business.

Commercial property insurance protects your business against physical damage to, or the loss of, your assets. Assets, broadly defined, include the area in which your business operates and the property housed there.

You need Commercial Property Insurance for:

Office Buildings

Shopping Centers

Hotels-Motels

Apartment Buildings

Any other Property owned or used by your business

Allegheny Pacific Insurance Services brokers have cultivated a wide range of relationships with insurance underwriters. We can find the best commercial property insurance policy for your company and will negotiate on your behalf to get you the best rates and superb coverage.
